

Langebaan Manor Retirement Estate's Frail care & Assisted Living Centre will be managed by Samaritan Healthcare.

Samaritan Healthcare focuses on primary and pre-emptive healthcare, to prevent and manage health deterioration for all citizens. Samaritan Healthcare is strengthened by collective intellectual property and more than 40 years' experience in successfully delivering healthcare services in all healthcare sectors internationally. It aims to add value to existing healthcare operations by introducing the best healthcare practices.

Samaritan Health Care focuses on the management of Assisted and Frail Care. This key management skill is executed through quality nursing supervision focused on the well-being of the elderly population and is an integrated preventative care. Services include assisted care, frail care, rehabilitation, convalescent care and dementia care.
